REGISTRATION OF U/5 PLAYERS PARENT ACKNOWLEDGEMENT & UNDERTAKING

Name	FFA Number (if known)	Date of Birth

I have read the Nelson Bay District Junior Soccer Club Registration and Grading Policy in regard to the registration and participation of players turning 5 years of age during the season. I acknowledge that I may register my child prior to turning 5 years of age but they are **unable to train, participate or play until they turn 5** years of age, that is before their 5th birthday. I also acknowledge that this is a policy and requirement of the Newcastle Football registration and competition.

I further acknowledge that should my child register to play the following year he/she will not advance to the next age group with other players who will be a year older. He/she will be registered to play again in the U/6 age grouping.
